Increasing Access to Information

March 3rd - Clinic Specific Folders Go Live in PowerChart

To the Left you will see a list of new Clinic Folders that will be going Live for Document Sorting in PowerChart for Specific Clinic Folders.

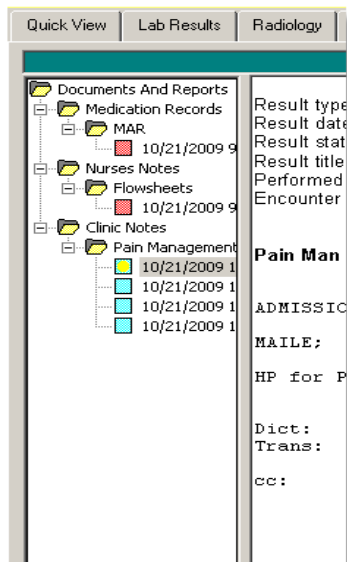

Currently these specific document types are filed in the Clinical Ancillary Folder as Miscellaneous

Pain Management, Neuro Diagnostics, and Sleep Lab will go live March 3, 2010

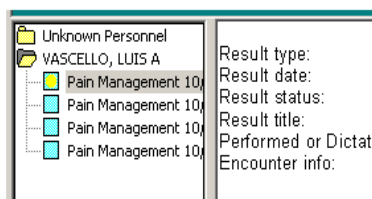

GO LIVE DATE FOR THIS NEW FEATURE IS March 3, 2010; WEDNESDAY

Coming!! Future Clinic Notes Folders will include:
Diabetes-Nutrition
Cardiac Rehab
Radiation Oncology
Wound Clinic

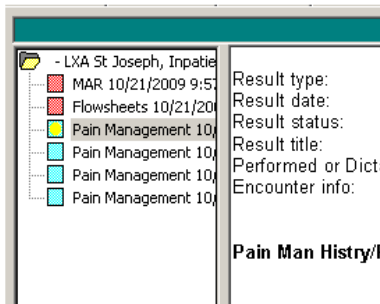

How they will look in PowerChart: (all documents scanned/transcribed prior to Mar 3 will remain in old folders - Other Ancillary Folder)
